Greetings Good News Cruisers,

**We write this month with incredibly exciting news - the 2024 Good News Cruise is completely sold out!!** With over 800 guests traveling with us, this is the largest cruise to date. It's also the fastest and earliest we have sold out and as our inventory is limited each year, we encourage all of our returning guests to make their reservations for next year's cruise while onboard in order to secure their cabin and get the best available pricing. More on that in a coming newsletter!

In this month's newsletter you'll meet Teresa Tomeo and Deacon Dom Pastore who are both regulars on the Good News Cruise and have presented since its inaugural sailing four years ago. We're also presenting some of the dining venues aboard the Adventure of the Seas!

**Additionally, should you have any medical needs, we would ask you to please let Royal Caribbean know by December 20, so they can ensure you are accommodated onboard.** You can access the form [here](#), or by clicking the button further down the newsletter.

Lastly, should you have any questions about how to book excursions, specialty dining experiences, and more while aboard the Good News Cruise, read through our [August newsletter](#)! There you'll find step by step instructions for how to access

your Royal Caribbean Set Sail Pass.

We hope you enjoy our latest newsletter and as always, should you have any questions about your booking or the upcoming cruise please don't hesitate to phone our office!

## Dining Aboard Adventure of the Seas

One of the best parts about a cruise is the dining aboard the ship and the Adventure of the Seas is no exception! No matter what you're in the mood for,

there are plenty of complimentary dining venues and specialty restaurants to satiate your appetite. We've included some of our favorites below, but you can visit [Royal Caribbean's website](#) to read about all your options!

Some of the best food on the ship can be found in the **Main Dining Room**. Meals here are multi-course affairs paired with white tablecloth service and spotlight dishes from around the world. Each night you'll find a different menu and you'll find the chefs always deliver!

One of the specialty restaurants onboard, **Giovanni's Table** feels like true Italian trattoria complete with a menu filled with hearty family-style favorites. While the restaurant is favored for its pasta, the non-pasta options are equally impressive, including the veal and lamb chops.

If you're looking for a more casual dining option onboard, we recommend the **Windjammer Cafe**. Meals here are included in your sailing and you will find quality food from around the world for breakfast, lunch, and dinner.

One of the fine dining establishments on the Adventure of the Seas, **Chops Grille** serves up delicious hand cut pieces of meat exactly to your specifications. Steak is of course the most popular item, but their Maine lobster is a mouthwatering option as well.

## Medical Needs Form

For those of you that have shared medical conditions, it is necessary for you as the traveler, to go online and complete the medical needs form prior to **December 20, 2023** in order for your request to be accommodated.
